I hate winter! I hate winter because I’m from Florida. I hate everything about winter. I hate ice, I hate snow, and I hate being cold. I think of winter as being totally useless, and I am totally wrong!

Winter is actually a time of preparation. While it may look like the trees and the grass are dead, what they’re actually doing is preparing themselves for the growth of spring. The simple fact is that without winter, there can be no spring.

I believe that Beechland is in a time of great preparation. We’re preparing for a sanctuary that’s not yet been built. We’re preparing for people who aren’t yet here. We’re preparing for ministries that have yet to be imagined. We’re preparing for a future that’s unknown to us, but we’re preparing for a future that is crystal clear to God.

I believe that God has a great future in store for Beechland, and we’re preparing ourselves for that future today. The future that God has planned for us will become a reality as we commit ourselves to (1) regular worship (2) dedicated service (3) generous giving and (4) faithful prayer. Let’s join together to make Beechland the church that God created it to be.

God bless you,  
Ken

Winter is always a difficult time for a church. Physical illness and bad weather typically work against regular attendance for many members. But even when attendance fluctuates, the church’s financial needs and commitments remain constant.

If you’re unable to attend due to weather or illness, please continue to support Beechland with your finances. You can mail your offering in, or you can make use of on-line giving. If you’d like to learn more about e-giving, check out our website ([www.beechlandbaptist.org](http://www.beechlandbaptist.org)) or contact our financial secretary, Juda Shain. By giving together, working together, and praying together, we can make 2010 a great year at Beechland.

### Staff Anniversary

Last month Colette Hayes celebrated her 6th anniversary as Beechland’s secretary. There is no way to describe, or do justice to, all of the ways that Colette impacts Beechland’s ministry. Take a moment this month to let Colette know how much you appreciate everything that she does for Beechland.

Be praying for God's leadership if you desire to be involved in these new mission projects.

Save the Date: **Compassion Sunday** is February 7, 2010! A very special guest representing Compassion International will be visiting with us in both morning services and you will not want to miss it! Watch for more information in the coming weeks as we present an ongoing opportunity for you to help release children from poverty in Jesus' name. **Habitat for Humanity:** This spring, Beechland, along with some other local churches, will be participating in the construction of a brand new home for a deserving family from our community! We're scheduled to "raise the roof" on March 19-20, 2010. If you have construction skills...or the desire to learn them...and you want to assist in building this home, please sign up on the bulletin board outside the church office.

## **New 2010 Directory!**

**Beechland is preparing a new directory in honor of our 150th Anniversary.**

With three services and so many new faces, it is important that all members participate to make this directory complete!

There is no cost to the church. Olan Mills will be taking our pictures and printing the directories for Beechland. For participating, you will receive a directory and a free 8x10 photograph.

### **Counseling Ministry**

I would like to start out by thanking the entire church for your prayers and support during my illness. Beechland is truly a loving church! This should not surprise me since you continue to reach out to our hurting community through the counseling ministry. These are exciting times for the church as a whole with the upcoming building project. I want you to know that we at the counseling ministry are also planning for the future! Our prayers have been answered through a budget increase and a one-time grant which have made it possible for us to purchase desperately needed materials for clients and upcoming classes we plan to offer the church. We plan on adding some security measures for client payment and records. We also will be taking the appearance of the counseling center up a notch to help clients feel more comfortable in the facilities and to give it a more professional look.

To thank you for your ongoing support we will have an open house February 28th from 10:00 am to 2:00 pm. Stop in after worship to tour the facilities, meet our terrific staff and enjoy some refreshments. We look forward to getting to know you better and hope to see you then. Please call me if you have any questions at 812-528-1346.

God's peace,  
Nikki Erwin, Associate Director

Wow, it is hard to believe that January has come and gone so quickly! As we enter into our second month of 2010 I look forward to all the exciting events that are about to happen in the coming months.

This month, Sunday night programming for children will resume on Sunday, February 14th as we "Unlock the Mysteries of Jesus' Love." We are also going to have a Kid's Night Out on Saturday, February 20th - be looking for more details in the coming weeks.

Our "High Seas Expedition" VBS is scheduled for the week of June 13th-17th mark it on your calendars! I ask that each of you be in prayer about what role you would like to play. The Leadership team is meeting and looking to recruit. We will be contacting you in the coming months to plug you in to this wonderful opportunity to minister to the children at Beechland.

For Children's Camp this summer, we are going to Crossings @ Cedarmore in Bagdad, KY July 28th-31st. Students are going to learn in a high-energy, Christ-centered, kid-friendly environment what it means to be ADOPTED into the family of God. Camp is an opportunity for children in 3rd-6th grades and a \$75 deposit per child is due by Sunday, February 14th. The total cost of camp, including the deposit, is \$225; there will be fundraising opportunities. If your registration and deposit is not received by the 14th you will not be guaranteed a spot.

In HIM,  
Andrew
