A Vision For Beechland:  
What Does a Genuine Relationship  
Look Like?

Summer is here! Summer is an exciting time for students (who are glad that school is out), it's an exciting time for teachers (who are glad that school is out), but summer isn't always an exciting time for churches. Many churches find that during the summer attendance drops, offerings drop and, worst of all, excitement drops. That's not going to happen at Beechland this summer, and here are the four things we're going to do this summer to keep Beechland moving forward!

First, pray for Beechland every day! Our strength is found in prayer. Pray every day for Beechland, for your Sunday School class, for your deacons, for your staff . . . and most importantly, pray that God's will be done at Beechland.

Second, commit yourself to worshipping every Sunday that you're in town. We're all going to go on vacation (mine is already planned), but I don't know of anyone who can financially afford a three month vacation. You can't spiritually afford a three month vacation either. When you're in town, make worship a priority.

Third, even when you're out of town, continue to support Beechland financially. The ministries of the church never end, and we need to provide consistent support . . . consistent spiritual support and consistent financial support.

And fourth, when you're in town, bring someone to church with you. God is blessing Beechland and we want to share those blessings with others. Invite someone to join you for Sunday School and church every week. God can use a simple invitation to do great things in someone's life.

This is going to be an exciting summer at Beechland. God is doing great things at Beechland, and I believe that He has even greater things planned for us in the future. Be part of what God is doing . . . get involved at Beechland.

God bless you,  
Ken

## Preparing for the Future

As we move towards the construction of a new sanctuary, one of our first priorities is to pay off (or to significantly pay down) the debt on our Family Life Center. The way that we do that is by giving regularly to the "Building Fund". Every dollar you give to the "Building Fund" goes to paying off the Family Life Center. You can use the envelope marked "Building Fund" in your envelope packet and there is a line on pew and offering envelopes for the Building Fund. As we continue to prepare for the future, please make the "Building Fund" part of your regular giving.

## *Notes of Thanks*

Thank you for your kindness and sympathy. I can't thank you enough for all the prayers, calls and the beautiful picture. A special thanks to Ken.
