The Trinity: God the Spirit

I just finished reading a fascinating book called "The Shack", which I'm sure many of you have already read. While I can't say that I agreed with all of its theological nuances, I was fascinated by the very personal and intimate way that it presented the concept of the Trinity.

It's true that no one can fully or adequately explain the belief that God can be three yet one, but it's also true that we need to wrestle with that very concept. I'm going to be preaching a series of sermons on the Trinity during the month of September. We'll look at the concept of God as Father on September 13, God as Son on September 20, and God as Spirit on September 27.

I also want to ask you to continue to pray for Beechland. This is an exciting time for our church, particularly as we continue to lay the foundation for a new facility (the details of which you'll hear about in October). So continue to pray for Beechland! If you've not been in church for a while, this Sunday would be a great time to start. And if you attend church every Sunday, bring someone with you this week. We don't have to wait for our new sanctuary to be built before we start filling it!

Crafts for the Bazaar

It's that time of year again! We need your help with crafts for the Christmas Bazaar. The Bazaar will be held on November 14th this year and we really need to get busy making items. We will meet each Monday beginning September 14th. If you are not able to come, but have something you can make at home to donate, it would be greatly appreciated.

FLC Renovation Fund Offering - Sunday, September 6

On the first Sunday of each month you will have the opportunity to make a donation to this new fund. The money raised will go toward major renovations to the Family Life Center (like new carpet or to replace broken equipment). There will be two chests located at the front of the sanctuary, you can drop a donation in at the beginning or end of each service.

A Note of Thanks

Thank you for your prayers. We left Audubon Hospital on July 3rd to go to Frazier Rehab. We were there until July 30th and are now home with the help from care tenders. James has an OT, PT, speech therapist and a nurse helping us. Please continue to pray for us. James still has to have a stint put in his right neck artery and has to have treatment for lung cancer. Special thanks to Bob Motley and his sons for helping us clean up the back yard!

Family Life Center Happenings...

September is a very busy month with soccer games beginning after Labor Day, our 3rd annual **Community Fall Festival** taking place on Saturday, September 12 and Upward Basketball officially beginning with a **Volunteer Recruitment Luncheon** scheduled for Sunday, September 13.

Beechland has 4 **soccer teams** playing at Valley View Church this year and schedules are posted on the church bulletin board, so come out and support our teams.

Our 3rd annual **Fall Festival** will be here before we know it. It is scheduled for Saturday, September 12 from 12 noon – 5:00 p.m. This day is a lot of fun and is filled with food, music, games and carnival rides. It also requires a lot of volunteer help. There are sign-up sheets posted on the church bulletin board, so if you can help, check out the board and sign up to help.

We will be having a **Yard Sale** to help raise funds for our Fall Festival and this sale is scheduled for Saturday, September 5 from 8 a.m. – 2 p.m. in the Family Life Center. All donated items can be brought into the F.L.C. starting Monday, August 31. If interested in helping to set up for our yard sale on Friday or if you can help on the yard sale day, please sign up on the church bulletin board.

Last, our 6th **Upward Basketball** season will soon begin and volunteers are needed. A special Volunteer Recruitment Luncheon will be held following the 3rd service on Sunday, September 13. If you plan on serving in any capacity this year or if you simply want to see what Upward Basketball is all about, plan on attending this short lunch. Sign-up sheets will be available. For questions, see Kathy Darby or call 935-1313, extension 206.
